THE MUNICIPAL MADAMUS CASE

Judge Robinson ruled in the municipal mandamus hearing yesterday that the action of the Board of Supervisors of the County of Oahu, at its final meeting, in abolishing all offices and repealing all resolutions, etc., relating thereto did not affect the Mayor's power of appointment of officers under the municipal charter.

Supervisor Logan was the last witness called for the petitioner. During the forty minutes he was on the stand there were many conflicts between Messrs. Milverton and Kinney over the questions put on direct and cross examination.

LILUOKALANI'S CLAIM.

It is rather a melancholy spectacle to see this once proud Queen humbly supplicating for what she believes to be hers, in a strange land and almost an exile from her own. We boast that we are a generous nation, and we point to our record in Cuba and in our reimbursement of the Chinese indemnity, yet we have continually refused to settle accounts with this old woman who, according to her own traditions and the customs of her people, had rights that should have been held sacred. Perhaps she has no technical rights, but somehow it would seem such a little thing for a big nation to wipe out the scandal that must always reflect more or less upon its chivalry and boasted generosity.—Kansas City Journal.

The Work of the Tubercle is Visiting Nurse.

The tuberculosis visiting nurse's work consists largely in education and preventive methods, rather than nursing. She investigates home conditions and instructs patients and their families how to prevent the disease from spreading.

The large majority of consumptives must fight the disease in their own homes as best they can. Children are thus daily exposed to infection.

The nurse frequently detects early symptoms of tuberculosis in some form developing in other members of the family, quite unsuspected, and advises early treatment.

Fresh air night and day is urged; especially sleeping alone, and out-of-doors, if a piazza is available. Cots, beds, articles of clothing, eggs and nourishing food are often supplied where patients are unable to buy.

The nurse aims to carry hope and cheer as well as good advice to the sick. These services are given without charge to people of every race and creed. Her mission is to enter the home as a friend.

LUCY JEAN MOSES, Visiting Nurse of the Dr. Day Memorial.

THE PECULIAR MOTION

of railway cars cause many to suffer from dizziness, sick stomach and headache—car sickness. This very annoying trouble is always cured by taking Dr. Miles' Anti-Pain Pills, the "Little Comforters." They relieve the pain, and soothe the nerves so that all unpleasant sensations disappear like magic. First package benefits, or money back.
